*A Tradition of Excellence Since 1896*

Dear Friends of Corona High School Panther Baseball:

We have felt a sense of tremendous pride returning to the tradition of CHS baseball. The players, coaches, student body, administration, boosters and the community are all feeling the Panther baseball excitement.

In the past few years we have made improvements to the backstop, fences, bullpen, windscreen, and the installation of a new locker room. There is, however, still much to accomplish in order to make our Varsity field as state-of-the-art as the rest of the athletic facilities. It is a priority of the Baseball Boosters to provide the players, coaches and fans with a safe and well-equipped facility. Therefore, on behalf of the Corona High School baseball players and the Corona High School Baseball Coaches, we would like to request any donation you are able to provide in order to support the program.

The 2022 - 2023 season is looking to be another exciting one and we welcome you to be a part of it. Checks may be made payable to **Panther Baseball Booster Club**. The tax identification number is 47-4711461 and we are operating under Parent Boosters USA, Inc., under Internal Revenue Code 501(c)(3). Our Treasurer will be happy to forward you any documentation you may require.

We want to thank those who have contributed in the past and welcome everyone to continue supporting this program. If arrangements need to be made for "pick up" of any donation, please do not hesitate to contact Sean Bangert at (951) 520-5726.

Thank you for your continued support of Corona High School Baseball.

Sincerely,

**Panther Baseball Booster Club**
